Morning campers, rise and shine! Well, as the summer days get shorter and the fresh morning chill sends every nipple in the land standing to attention, and footballers crack last April's mud from their boots for yet another season and bargain bucket holidaymakers bugger off to Spain for a cheap week *away* from the football season, I can't help but think back to my schooldays when every year, the month of September brought with it nothing but dread and a new series of Crackerjack.

With a freshly scrubbed side parting, I'd be packed off to Saint Greavsie's School for the Sexually Baffled with nothing but a shiny pair of Clarks sandals, a British racing green blazer and a satchel stuffed full of conkers and cheese sarnies, all set for another year of draughty classrooms, soggy lunches and the sort of games in the shower that would make a lifer blush.

Still, that place taught me always, always to never forget er, to er, I mean, it drummed into me the importance of er, oh bugger, what was it? Team spirit!

That's the fella, team spirit. Everyone mucking in, all hands on deck, you watch my back, I'll scrub yours, make my bed and I'll make you happy sailor, that sort of thing. Just the tonic for the troops at HQ, I thought, so after a quick consultation with the local constabulary we decided on something that would test the very nerve and sinew of everyone, a game that would push bodies to the limit, stretch senses to the full and drinking capacity to within inches of a stomach pump. You guessed it, a pool tournament in the local.

Sixteen of us gathered upstairs in the dark, smoky pool room and, under the harsh light of the naked bulb and the swirling smoke of the cigars, we began to play. Slowly, as the cue balls cracked and the night wore on, people fell by the wayside. Rod 'It's Me Back You Know' Edwards lost, so did Robert 'You Lucky Bastard' Swift, until eventually it was just me and Max 'The Shirt' Vinall.

Silence fell as I broke, or 'served' as I like to call it, and I potted ball after ball, the giggling bodies of twenty top models trembling at my every shot. There were more boobs bouncing up and down in that one room than you'd get at a cheerleader's convention, but Shirty wasn't going to take this lying down – which is unusual for him – and soon he was left with an easy black over the corner pocket. He bent down to take the shot, breaths were held, money changed hands; in fact, the only sound was of me standing over the pocket slowly tearing his employment contract in half.

He gulped, bit his bottom lip, then missed! What bad luck! It was only left for me to pot the black and guess what – I won!

So, the lesson to be learnt here is never to play a game unless it's your ball you're playing with. Now I'm off to blow my winnings on *Lucky Bastard* at Doncaster, armed with a handful of this month's girls and a trilby. Wish me luck, and I'll see you in Rio! – *The Editor* ♣

Barbara versus Bardot?

I can't believe it! In the recent issue of Club (Vol 22 No 8) you said that this was Barbara's second appearance. This means I missed the first. I'm extremely distraught.

She is without doubt the loveliest thing to grace your pages for a long time. She reminds me a lot of the young Brigitte Bardot, she's a real sex kitten. Her eyes look playful, if that isn't too wimpy a word to use in your mag. If it is, what I mean is that they say, "Follow me, and I'll give you the shagging of your life!" *(Now that I understand – The Editor)*. And her lips have that same pout that turned Brigitte into an international sex symbol. I don't know what develops lips like that, but I bet it isn't sucking your thumb!

I reckon if you staged a beauty contest between Barbara and Bardot, it would be a close-run thing. Barbara might even win. Please bring her back, and tell me which was the magic issue in which she appeared before. – *Mike, Bristol*

(Barbara appeared just two issues earlier in Vol 22 No 6. We keep telling you lot to get a subscription! – The Editor)

Naughty Neighbour

I've been a reader of Club for three years now, and I have to say that the last issue (Vol 22 No 8) was the best one yet – and my neighbour agreed! Let me explain...

A couple of weeks ago, I invited my new neighbour Jane for tea one afternoon. She's in her early 20s, about ten years younger than me, slim with long, dark hair and very pretty. I had left her alone in the sitting room while I went to make a cup of tea and when I returned she was leafing through a copy of Club; my husband had left his copy under the sofa.

"There are some very sexy women in here," she said, frantically flicking through the pages and revelling in the sight of all those sexy girls. I sat down beside her and watched as she carefully studied the pictures. "Wow, look at Jasmine," she purred, gleefully holding up the centrefold. "Mmm, and Gabrielle isn't bad either."

"My husband liked Elizabeth best," I said, reaching over and opening up the pages at her pictures.

"Not bad," she replied. "She's got very big breasts, hasn't she? And look at those long nails... can you imagine how they'd feel down your back? Oooh, a bit painful..."

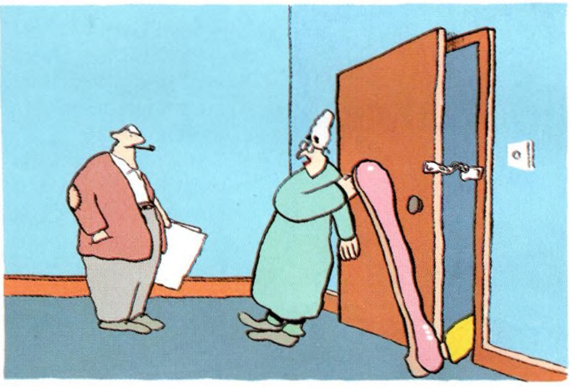
What do you mean?" I asked, genuinely perplexed.

"Well, if I went to bed with a girl like Elizabeth, she'd have to cut her nails. I mean, those things are practically lethal!"

I stammered out something about never having thought about it, although my mind was racing with naughty thoughts!

"She has got beautiful full lips though," added Jane. "Mmm, I'd like to feel those on my nipples, sucking on them and then licking my pussy. What about you, Pauline? Does that excite you too?"

I could myself going red, but was unable to resist nodding my head and agreeing with her. I even found myself looking her up and down and admiring her firm body. "I bet she's a dirty bitch too," whispered Jane. "Imagine lying back on a bed as she caressed your body, sucking on your tits and kissing her way down over your body." I closed



"Someone selling tickets for the circus dear..."

THE PRICE IS RIGHT!

Deep in the bowels of the new Club office (did we tell you that we moved our bowels recently?) there lies a room where no human hand has ever set foot *(Eh? – The Ed)*. It's in this dark, dripping vault you'll find the contributors nobody likes. Tony Husband, the cartoonist, is chained up down there (which probably explains his amazing anatomical ignorance when it comes to all forms of wildlife) along with the quiz compiler who hasn't seen a woman in thirty years, as you can probably tell.

They are the hideously mutilated results of an experiment by demon doctor Vincent Price after he retired from horror films. He was hoping to create the perfect tit mag man – half comedian, half randy bastard – but unfortunately it all went horribly wrong.

To make amends Mad Vincent is letting us have copies of his earlier work. *Tales Of Terror*, *The Pit And The Pendulum* and *The Oblong Box* (Orion Video) are three of the finest Edgar Allen Poe horror movies ever made and feature other great stars such as Peter Lorre, Basil Rathbone and Christopher Lee. Normally seeing him costs an arm and a leg, but they could be yours for the price of a stamp if you answer the following question correctly and we pick your card out of the vat of boiling virgin's blood *(His own, no doubt! – Asst. Ed)* in the Editor's office.

Which mad doctor did Vincent Price play later in his career? a) Dr Who, b) Dr Phibes or c) Dr Legge.

Send your answers to The Price Is Right, Club International, 2 Archer Street, London W1V 7HF – or we'll send him round to ask the question personally. Aha-ha-ha-ha-ha-HAAAAA! ♣

my eyes tightly and let my imagination run wild. “She’d be on her knees between your legs, slowly licking your lips while her fingers slid inside your cunt and played with your clit.” I couldn’t stop myself from letting out a little moan and I could feel my cunt getting warm and wet as Jane carried on with her narrative.

“Of course, I would watch you being brought to climax by Elizabeth – if you didn’t mind, of course.” I nodded my head. “Have you ever been caressed by a woman, Pauline?” I shook my head. “Would you like to be?” My lips turned up at the edges and a smile spread across my face. “I’ll take that as a yes...” purred Jane.

Just then I felt a pair of hands pull me from the sofa and down onto the floor. I didn’t open my eyes, but instead revelled in the sensations spreading through my body as I felt Jane’s hands roaming over me and tugging at my clothes. My tee-shirt was pulled off over my head and I almost came on the spot as I felt a pair of lips pressing against my tits. I reached down and held onto Jane’s long hair, pressing her face against my cleavage. “Suck them both together,” I pleaded, thrusting my chest forward. Jane pushed my tits together in a big mound and began to work her tongue over both nipples at the same time.

My hands started to roam over Jane’s body, and I pulled up her top and gently massaged the skin on her back, before my hands slid under the waistband of her skirt and down to her curvy bum. Jane broke off from kissing my tits then, and looked at me. “Let me give you a hand with that,” she offered, pulling off her skirt and peeling her knickers down to her knees. “There, that’s better, isn’t it?”

Jane then slid down my body, pressing her lips against my stomach, then pulling my knickers off in one fluid movement. I felt her soft hands on my hips and she positioned herself between my legs and started to slowly lick up the inside of my thighs. Soon she was lying comfortably between my legs, her hands

"It's a tough life," grins the gorgeous Simone on this, her debut appearance in Club. "Lying on the beach and enjoying the freedom of being utterly naked, the wind caressing my boobs. Now that's what I call hard work." The 20-year-old art student certainly makes it hard for all of us in the Club office. The pert bottom, the lush lips and the other bits that need no introduction from us! "I can't believe I've never done this before," she smiles. "I've always been a bit of an exhibitionist

and this hasn't done anything to curb my tendencies!"

And long may that be the case! Posing by the sea Simone is certainly shipshape and definitely bristol-fashion! ♣

stimulating my clitty as she pushed her tongue deep between my pussy lips. My first climax came almost immediately and was more intense than anything that I'd ever experienced before. Jane's lips and tongue worked miracles on me, and I was eager to reciprocate her attentions.

"Now it's your turn, Jane," I whispered, pushing her back on the floor. "Just lie back and relax." I didn't waste any time in getting to grips with her. "Hold open your labia for me," I asked. I really wasn't that sure what I was doing, but I used my mouth and lips as best as I could and my reward came when Jane started thrashing around on the floor as an orgasm pulsed through her.

Jane then pulled me up the length of her body, and with some expert maneuovering, turned me so that I was sitting above her face, my warm cunt wide open for her tongue to work its magic. She wasted no time in using her tongue like a cock and powered it deep inside my cunt, sending shivers right though me.

We showered together after our session, then Jane took me into the bedroom and opened me up to a series of sexy experiences! She's been around a couple of times since that day, in fact, she'll be around later on with a new issue of Club – I can't wait! – *Pauline, York*

I plucked up the courage to make a move as she was standing at the bar alone, and before we knew it we had arranged a date for the following week. When I picked Mandy up the next Saturday, she looked even sexier. Her full, firm tits were standing to attention and throughout the date at our local wine bar, all I could think of was diving between them and nestling my head in her tits.

By the end of the evening – with a liberal amount of alcohol flowing inside me – my balls were fit to burst. I didn't have the courage to ask her back to my place, but amazingly, Mandy invited herself. I was in seventh heaven at the thought of getting to grips with her,

Dear Stephanie,

The summer may be all but over, but after I saw your pictures in Club (Vol 22 No 8) I relived my holiday all over again...

We're on a deserted beach together soaking up the sun, and as you lay back I pour suntan lotion onto your body and start to gently massage the cool liquid into your skin.

"Over my breasts," you whisper, and I work my hands over your chest and tease your nipples to points. "Kiss them," you purr, and I move my lips to meet your buds, sucking on them before kissing my way down over your stomach.

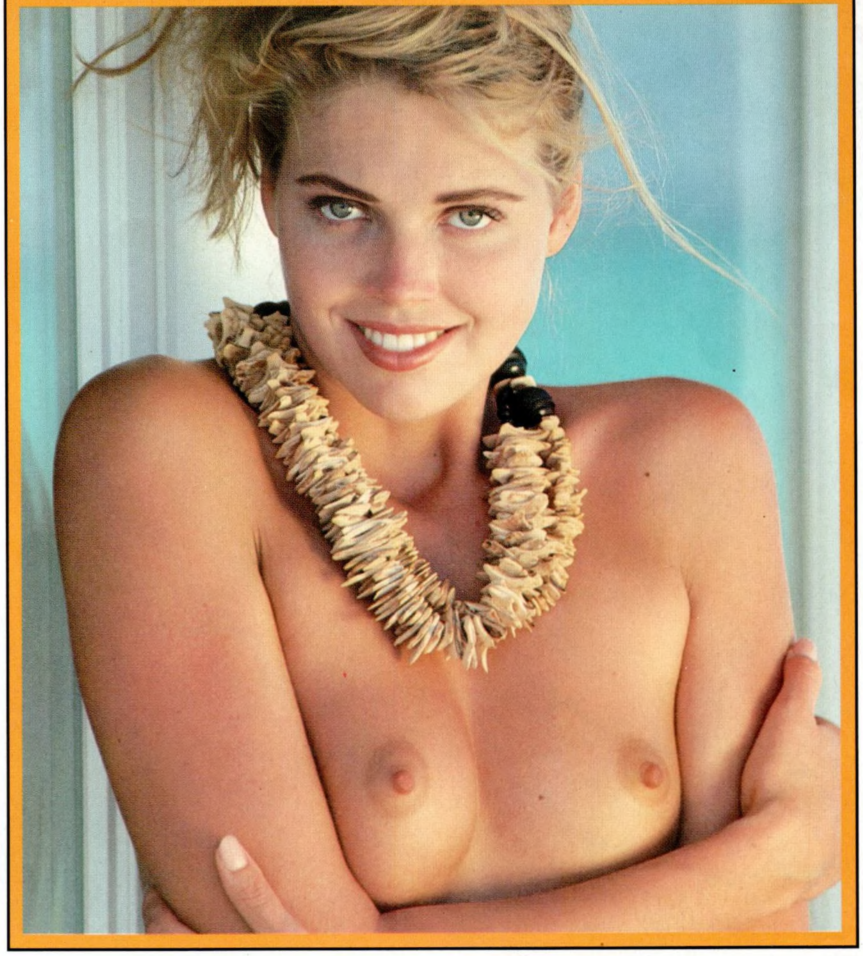
Easing apart your thighs, I lick my way towards your cunt and then plunge my tongue inside you. "Harder, lick me harder," you scream. Pulling apart your cunt lips, I flick my tongue over your clitty and you writhe around on the sand as an orgasm pulses through you.

"Fuck me, Steve," you cry, and spreading your legs you guide my cock inside your pussy. I can feel your hot juices dribbling down my thighs as I start to build up a rhythm, and just as I'm about to come I pull out and aim jet after jet of hot spunk all over your tits.

Finally, we'd take a swim together – before drying off ready for more of the same!

– Steve, Hastings

Sun, sea, sand and... Steve – sounds like the perfect combination to me! Warm weather always makes me feel randy – maybe that's why I try to go abroad twice a year! I must admit that I've never had sex on beach, but I'm more than willing to try! – ***Stephanie*** ♣



SHE'S ALL YOURS!

Lucy

Photographs by
Maria Clarke

I love my bedroom. It makes me feel so feminine. You know, all that pink everywhere! I know that you chaps like it too! I used to ride my rocking horse when I was a kid, but now that I'm all grown-up there are other things that I like riding much better! I bet you know what I mean. I put my hair up in bunches just like when I was young and try to be pure and innocent, but then I start to think of all those horny men out there and I can't help myself. I just end up slipping off my underwear and letting my fingers do the walking. I'll leave it to your imagination where they go to, but if you were to imagine they move over my boobs and pussy, gently caressing until I get myself all worked up, then I wouldn't exactly say you were wrong! It's hard being a girl like me. The slightest thought of sex pops into my head and, well, there's the evening gone! I don't suppose that's really a bad thing now, is it? See you next month...

LETTERS TO Lucy

Dear Lucy,
I just can't wait for every new issue of Club to see what sauciness you're getting up to this time! I've never seen a woman who oozes such sexuality and I can't stop thinking about all the things we could do on a sexy night together. I play American Football and I reckon seeing you dressed in all the gear would be a real turn-on! Not that you need any padding, you understand, but if I got the chance to 'touchdown' where it matters, we could both definitely 'score'! So whaddaya say? *– Alan, London*

Well, men who are big in all the right areas are just the job for me! I'm not sure that those who play with odd-shaped balls are quite the ticket, but then again I suppose I'd be willing to take a chance and find out. After all, you know that I'm pretty much 'game' for anything! Maybe we could give it a go sometime...

Dear Lucy,
I work nights in a fire station and when things are all quiet on the incendiary front, there's nothing we like better than looking through a copy of Club and appreciating your many charms. When we read the letter in the last issue where it was suggested you might like to dress up as a fireman, we all thought it was a remarkably good idea. If you ever need to borrow a uniform, or to slide down a long pole, then may we suggest you consider our station for the photo shoot. If you don't mind thirty photographic assistants, that is! *– Neil, Blue Watch, Devon*

What a gentleman! Serving the country and trying to serve me at one and the same time! I'm not exactly what you'd call bashful now, am I? I don't think I'd worry about so many willing hands helping out on the job, so you never know your luck. I could be dialling 999 sooner than you think!

Dear Lucy,
I'm a 20-year-old bisexual girl, and my fantasy is for you to come into the shop where I work to buy a new outfit. After you wriggled your way into a tight red dress in the changing room, you'd ask me to come in and tell you what I thought.

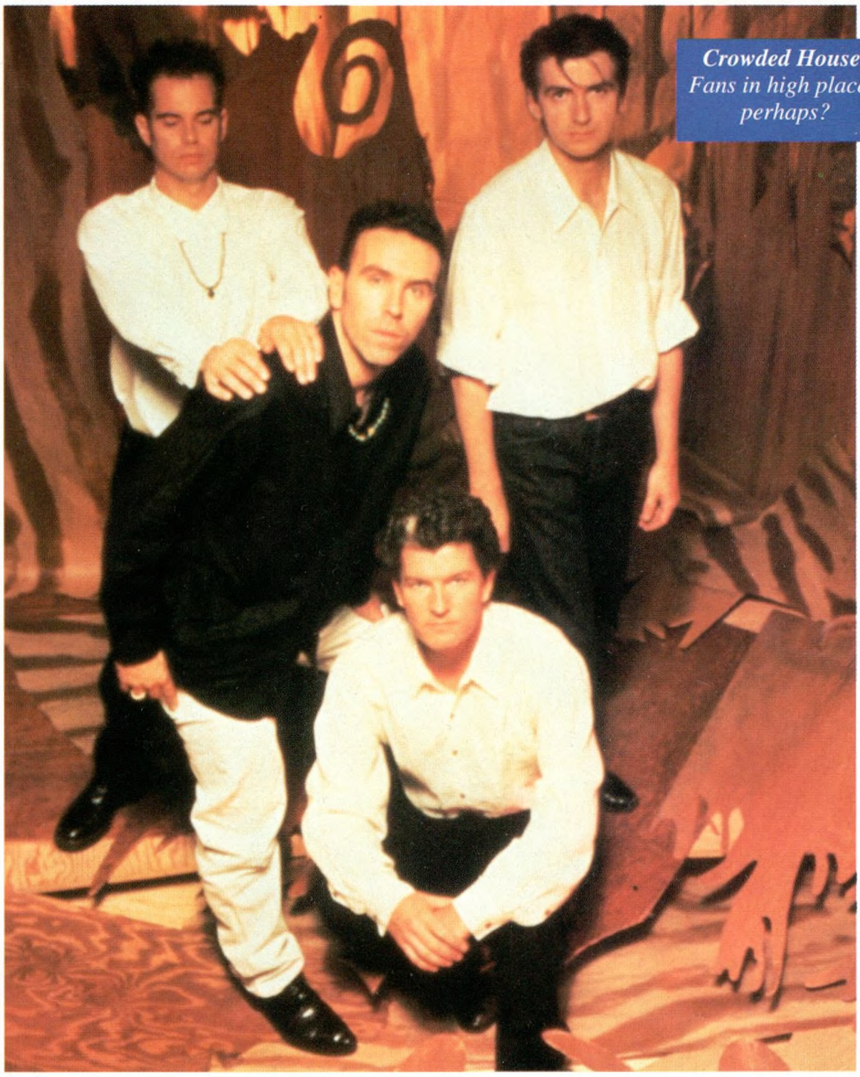
"Lucy, you look gorgeous," I'd say. "That dress is so tight and clingy..."

"But do you prefer this dress on me?" you'd ask, stripping off again before putting on a little black number. "What do you think?" you'd ask. But by now, having just seen the girl of my dreams totally naked, I'd be absolutely speechless! *– Karen, Leeds*

Mmm, I guess I'd have to think of something to say, then. How about, "Karen, maybe you should use that hot little tongue to fuck me, not talk to me!" I wonder how tongue-tied you'd be then? – ***Lucy*** ♣

STRAPPED FOR CLASH

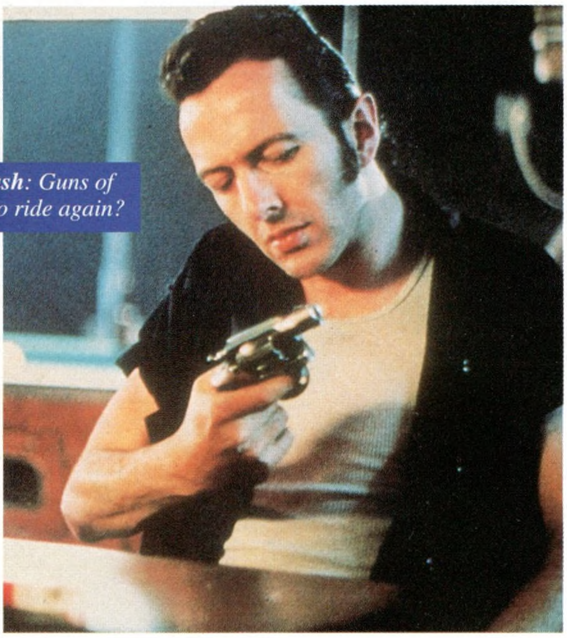
It's time to peel back the curtain and take a peek into the strange world of music, with the thinking man's Pat Sharp, **James T Bone...**



***Crowded House:** Fans in high places, perhaps?*

Old rockers never die, it seems; they just reform years later to milk a new generation of their hard-earned money – as the Velvet Underground will testify. Now ten years after they called it a day, rumours abound that **The Clash** look set to get back together after signing with a top American manager.

In a deal worth an estimated £50million, Joe Strummer, Mick Jones, Paul Simenon and Topper Headon are set to return to the United States to play a series of stadium dates. Ironically it was during a tour of the US in 1983 that internal tensions signalled the end of the band that notched up 17 Top 40 hits. In the intervening years, Strummer has fronted The Pogues; Jones scored a series of hits with Big Audio Dynamite; Simenon launched Havana 3AM; while Topper Headon swapped his drumsticks for driving gloves and was last seen touting for fares in his mini-cab in South London.



***The Clash:** Guns of Brixton to ride again?*

- Now, what exactly would you imagine is the allure of the world of rock and roll for today's youth? Group sex with a willing line of nubile, young women? Wild parties with the elite of the music world where the cocaine flows as freely as the conversation, perhaps? Err, how about royal approval, then?

A quick perusal of the recently published Queen's honours list reveals two familiar names in the shape of Tim and Neil Finn, the brothers who fronted antipodean combo, **Crowded House**. They've both been awarded OBEs by Our Lizzie for their outstanding contribution to the musical excellence of New Zealand!

Rumours that they've been booked as the house band for the next garden party at Buckingham Palace are believed to have been made up by this scribe for a cheap laugh...

- The Shelby County Commissioner's Office in the United States are to re-open their files relating to the death of **Elvis Presley**, who died in August 1977. The surgeon who performed the autopsy, Dr Jerry Francisco, came to the conclusion that the 42-year-old had died of heart disease. However, Dr Eric Muirhead – who assisted in the examination – contests his diagnosis and reckoned the King died from an overdose of prescription drugs; a conclusion that would bear more validity considering Presley was issued with 18,000 doses of prescribed drugs during the last six years of his life.

The autopsy report was never released and it's feared that if the results are made public, then other cases over which Dr Francisco presided would be discredited. These include 25 autopsies carried out by the good doctor in which police brutality was alleged... and discounted. Oh dear.

- One man who has done his fair share of drugs – most of them definitely *not* available on prescription – is Syd Barrett, original singer with **Pink Floyd**. Lysergic acid diethylamide – that's LSD to you and me, and that little green man with pointy ears in the corner who won't leave me alone – is the stuff that's reputed to have been the reason behind the great man's premature withdrawal from the music scene in the early 70s.

Now UFO Records are releasing a video featuring Mr Barrett, but it certainly isn't some dewy-eyed tribute to him from former associates ("A close personal friend of mine and a great bloke..."). Instead the video captures the very moment when Syd dropped LSD for the first time in 1966, thanks to his film student friend, Nigel Gordon, who just happened to be around with a cine camera to capture the moment for posterity.

***Syd Barrett** (third from left): Just say no, kids! Ingestion of LSD can lead to alarming fashion sense like this...*

- Lord help us... Not content with a completely unexpected – and thoroughly unwelcome – return to this nation's pop charts with a couple of Top Ten singles and a hit album, **Duran Duran** have revealed plans for their next LP.

Singer Simon Le Blob has told reporters that the new record will include a couple of cover versions, including a Led Zeppelin song and – wait for this – a Public Enemy tune! There really should be a law against this sort of stuff, shouldn't there? C'mon, give us a fucking break, guys...

***Elvis Presley**: Did he die from an overdose of bar-bits-you-ate?*

- Finally, are we seeing a change in the hierarchy that dishes out awards in the world of British music? Awarded annually, the Ivor Novello Award For Songwriting has in the past gone to the likes of Queen, Eric Clapton and George Michael.

Imagine the surprise of this year's recipients then, **The Shamen**, when they were informed that the judging panel has decided songs such as *Boss Drum*, *Move Any Mountain* and *Love, Sex & Intelligence* has merited the band the title of Best Overall Songwriters Of The Year!

Ironically, it was only a few months earlier that the band were unceremoniously booted from the stage at the Brit Awards after the organisers refused to let them sing their smash hit single, *Ebeneezer Goode,* with its rousing chorus: *E's are good, E's are good, E's are good*. We wonder why? ♣

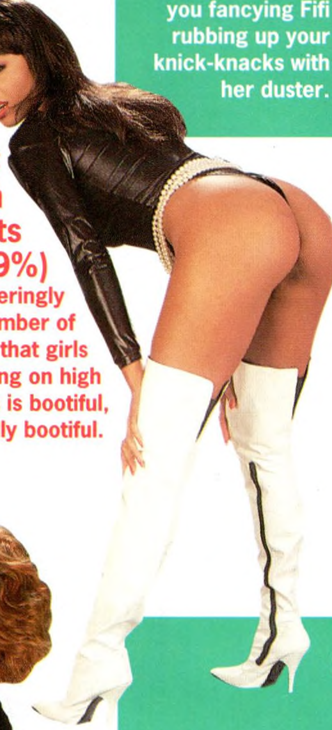
Sexy secretary Janet finds filling her boss' drawers so stimulating that the flighty filly spends her lunch hours freeing her big boobs and beautiful bottom. "I've won a few clients over," she giggles. "Over the desk, over the table..." When we asked the 21-year-old why she didn't have any briefs, she was quick to retort. "Because I don't work in a lawyers office, silly!" Still, that hasn't stopped Janet being voted The Sexiest Secretary of 1993 and with qualifications like these, it's hard to argue! Very hard indeed!♣

THE DIRTY DOZEN

In the first of our saucy surveys of your lewd letters, we've compiled a Top Twelve of what Club readers (male and female) like best. This month: what outfit looks sexiest on a girl? And for those of you who think that statistics are deadly dull, there are some horny pictures as well...

1) Silk panties (88%)
Nearly nine out of ten of you take a shine to naughty knickers. Silk is not only for worms, it seems.



7) PVC thigh boots (49%)
A staggeringly high number of you think that girls staggering on high heels is bootiful, really bootiful.

8) French maid uniforms (43%)
The most popular outfit with lots of you fancying Fifi rubbing up your knick-knacks with her duster.

4) Tight jeans (65%)
Guaranteed to Levi's guys watering! A pair of buttock-hugging denims turns Wranglers into wankers

9) Pervy PVC (39%)
Glossing over the way it clings to every part of a girl's body, it feels fabulously hot and horny – and so will she!

5) Low-cut tops (47%)
There's nothing like a nice, deep, pink cleavage when you look down. Used to be the butt of a dozen TV comics, now sadly with us no more (and neither are the cleavages).

2) Mini-skirts (75%)
Short on material, but not on support... especially when they give a guy a glimpse of the above!

6) Basques (55%)
Just over half of you loved a nice pair of knockers in a tight fitting basque that shoves them under your nose (and hers). Sexy? Corset is!

3) Tight skirts (69%)
If the only pencil you've picked up was when you were a kid, you should look at a girl in a black satin one!

TEN SENSELESS THINGS

Now that summer is drifting away, any sane man's thoughts naturally turn to museums. And for worshippers of the worthless here are ten pointless things to do in them...

1) Hide in a suit of armour and tell everyone you're not coming out until Cromwell surrenders.
2) Think you'll learn more about art by spending a tenner on a fancy guidebook.
3) Smear jam all over the statues, then run around shouting "It's alright... I'm a doctor!"

The last time our naughty 19-year-old art student appeared in the hallowed pages of our organ (Vol 22 No 8) , the response to Elizabeth's curvaceous assets was so strong that you had us reaching for our... er, little black book to present the young girl's delights once more.

"It was such a thrill peeling off and showing off my pussy and tits that I didn't need asking twice to offer my essentials again," she purrs. "I know that posing really turns me on, and it seems as if quite a few of your readers like the idea, so I thought I'd dress up a little, before I started dressing down!" We bet you readers like Elizabeth's get-up so much that you'll be doing a bit of getting up yourselves after witnessing our sensational spread! ♣

and I took my courage in both hands and kissed her passionately. My heart and cock beat in unison and Mandy soon realised that my hard-on needed out – and quickly!

"Let's fuck," she panted and fondled my dick lasciviously. I led her by the hand to the bedroom and undressed her as quickly as I could. Naked, she looked unbelievable – her tits were large and firm, her hips were curvy and a perfect bush of trimmed brown hair nestled between her legs. She reached up behind her hair and pulled out the grip that was holding her hair up and I nearly came on the spot as the tresses cascaded down over her boobs.

I didn't waste a second, and I began to kiss, suck, lick and tweak her nipples as she groaned hornily, before I worked my tongue over her belly and down to her pussy. My tongue worked overtime on her hairy triangle and then sank into the sweetest cunt I've ever tasted. I licked her swollen lips, sucked her juices and travelled up her slit to her clitty. Nearly bursting, I eased two fingers into her hole and finger-fucked her at the same time as I tugged on her clit. This did the trick and Mandy came, her sticky juices coating my face. I could have stayed there all night, but Mandy had other ideas. She needed my cock up her cunt – she made that quite clear!

Spreading her legs wide, she wrapped her fingers around my shaft and guided my tool into her warm wetness. She lifted her legs up to my shoulders as I pumped my full length to the hilt – it was a perfect fit! We thrust and kissed at the same time, Mandy licking at her own juices which were still wet on my face. I worked on her like my life depended on it, rubbing my

RESULTS

10 and over – Excellent. Well done! You certainly have worked exceptionally hard, you spotty little swot. You obviously understand the human reproductive system back to front. Unfortunately that's exactly the way you tried to do it in the practical. Less revision and more hands-on experience is essential if you are to progress further.

5 to 10 – Average. A pass. Your basic knowledge is reasonably good and you handle it very well. Your performance in the oral was particularly good. However, you really need to read more of the set texts, particularly *The Kama Sutra* and *Emmanuelle Goes Bats In Bognor* if you are to progress on to higher sex education.

0 to 5 – Very poor. Extra work is needed. Go and stand in a corner. ♣

So began my affair with Mandy and we've gone from strength to strength ever since. She loves to read the sexy stories in Club to me – I can't wait till she reads out this one! – *Gary, West Drayton*

Guys say they love the feel of it, but there seem to be other areas that they're more interested in!" Who wouldn't be interested in the fine figure displayed by this little cutie? "I was always a wee bit shy when I was younger, but I get more daring by the day and the thought of stripping for all those fellas out there has certainly made me less inhibited! BATS OUT OF HELL

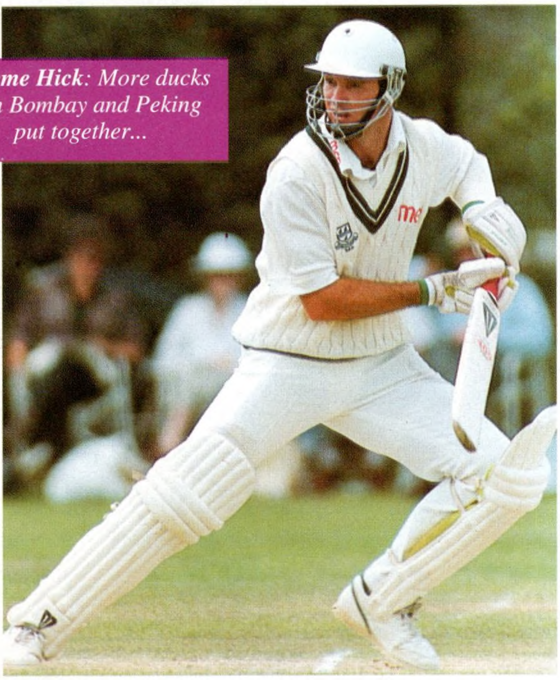
White lipstick, nudity and grass – a look back at the 1968 Summer of Love, perhaps? No, it's **Maurice Short's** review of this year's cricket season...

***Eric Cantona:** Pre-Cézanne training, anyone?*

Back in the Eighties it was thought that all England's cricket problems stemmed from the lack of professional people devoting their efforts to the team. As a result, over the last few years under the guidance (the word leadership is hardly applicable) of Micky 'Moira' Stewart and 'Gypsy Rose' Dexter, the off-the-field staff associated with the England set up has swelled to Linford Christie-type proportions. Nowadays physios, trainers, doctors, dieticians, a spiritual advisor in the form of Reverend Andrew Wingfield Digby (seriously!) and even, God help us, a psychologist take up space in the England dressing room. All that's needed now is a hairdresser and our test team will have a bigger entourage than James Brown. Yet their record is even worse than it was before. In the case of the psychologist you can only speculate as to the conversation he has...



***Graeme Hick:** More ducks than Bombay and Peking put together...*

Player: "I can't get any runs, doctor. Do you think it's a result of me sublimating oedipal tendencies?"
Psychologist: "No, I don't actually..."
Player: "You mean, I'm suffering from a castration complex brought on by some pre-natal trauma?"
Psychologist: "Mmm, not exactly..."
Player: "Then what is it, doctor? What's the matter with me? C'mon, give it to me straight!"
Psychologist: "You're crap."

Like Bob Dylan said: 'You don't need to be a weatherman to know which way the wind blows.'

● About the only thing that was less lifelike than England's batting this summer was Aussie leg-spinner Shane Warne's blonde hair. Not wishing to be bitchy, or anything; but shouldn't one of his team mates have told him that his roots were showing? And as for that pale lip-gloss! Try looking in a mirror when you put it on, Shane, honey. It's supposed to go on your mouth, not on the end of your nose!

● Getting into the England cricket team used to be a simple matter. You just had to be British and good at cricket. Nowadays, thank heavens, this elitist and frankly xenophobic system has been replaced by one far fairer and more subtle. When the present England selectors meet to discuss the team, the merits of prospective recruits are scientifically measured in the following manner:

1) Born abroad – 5 points.
2) Been on rebel tour to South Africa – 10 points.
3) Related to Micky Stewart – 15 points.
4) Play for Essex – 2,000 points.

The players who score the most points in this stringent examination are automatically picked. Obviously the selectors (Gooch – plays for Essex, toured South Africa as a rebel; Fletcher – played for Essex; Dexter – born in Milan; and Micky Stewart – related to, er, Micky Stewart) can't always find eleven players in the British Isles who match up to these exacting standards. Which is how Thorpe, Tufnell and Lathwell have managed to sneak into the team on occasion. It's sad that the Essexmen, Zimbabweans, Aussies, Kiwis and Stewarts have to be let down in this way, but there you are – the selectors can't be held responsible for the lack of suitable players in the English game, can they? I mean, once or twice they even had to pick people from North of Watford!

● We heard a lot of talk as the test unfolded about the Aussies' competitive spirit on the field. It was good to discover that they displayed a similar will to win off it too. Since the Seventies the Australian squad has entertained itself on the trip to England by holding a competition to see who can drink the most beer. This year David Boon set a new record, downing 54 tubes on the 18-hour flight. Unhappily, nobody noted the number of trips he made to the toilet.

***Shane 'Sheila' Warne:** The Bet Lynch of the Aussie XI?*

● Most readers will have realised that my earlier comments about the England selection policy were a piss-take. I mean, who would possibly believe such a thing? The England selectors with a coherent and consistent policy? Don't make me laugh!

After all, these are the men who refused to pick David Gower on the grounds that he was too old, then selected several players who are even older. Who consider Mark Ramprakash to have a suspect temperament; yet are happy to opt for Mike Gatting (who punched his fist through a glass door this season because he was unhappy with an umpiring decision) and Neil Foster (a player fined for kicking over the stumps when an LBW appeal was turned down). The English manager, Keith 'Gnome' Fletcher, is as obsessed with grit as a budgie with an itchy beak, and doubtless saw these two incidents as proof of the players' 'will to win'. Perversely it seems that nowadays a player's determination is measured not by his success, but by the decibel level of his tantrum when he fails. It is fair to assume from Gnome's outpourings on the subject of commitment that any player aiming to catch his eye would be better advised to bite off the umpire's leg in protest at a dubious bat-pad, rather than score a triple century, then smile when he

***The Sky Strikers** (left to right): Samways, Edinburgh, Van Den Hauwe, Allen, Mabutt, Sherringham* gets out. It's just as well that John McEnroe has retired or we might have had him opening the bowling for us this summer.

● And while we're on the subject of cricketing failures, whatever happened to Graeme Hick? England's selectors fidgeted about for four years while he qualified, only to discover that in the interim The Great Hope has curiously metamorphosed into The Great Dope. Since coming into the test side he's become more familiar with ducks than Andy Peters. Ferchrissakes, Asil Nadir's made more runs (and he doesn't lose his bail as often either).

● Still, there's always football, isn't there? Last season saw the introduction of a number of new innovations, the most important of which was the appearance of the Sky Strikers cheerleaders. Sadly not everyone appreciated these leggy lovelies. When the prancing 'n' dancing troupe ran onto the pitch at Highbury, for instance, they were greeted with a mass chant of 'Are you Tottenham in disguise?'.

● Finally, a similar case of mistaken identity dogged Eric Cantona last season. Asked to name his hero by the Leeds match day programme 'Ohh-Ah' Eric opted for French poet Rimbaud. Unfortunately the interviewer wasn't that well versed with Gallic literature and rendered Cantona's answer as Rambo. As a result England's favourite frog flair-merchant was bombarded with Sylvester Stallone memorabilia by his fans. Pity he didn't opt for Monet. If he had then he'd be a wealthy man by now.♣

WOMEN'S WRITES

Where the girls get down to business

On The Buses

If you think that being a bus driver is a bit macho for a girl, then put your prejudices to one side and open your minds!

My name is Maria, and I've been fascinated by buses since I was a kid – and not only because they're big, red and throbbing! I was even a bus spotter, which sounds a bit sad, but I was the only girl in the middle of a bunch of young boys. So even at a tender age, it had its advantages!

Now I'm 22, and the only female driver in our depot, which means that I get plenty of attention from all the other drivers. They can never do too much for me – and sometimes I let them! There have often been comments about men loving a woman in a uniform, and it does make me horny thinking of all the guys just wishing they were fucking me senseless. I've got a pretty high sex drive, and there have been a few 'incidents' in the changing rooms after a late shift. I gave a guy a blow-job one time and another fella came all over my boobs (I love the sight of come on my tits!) after we all got a bit horny!

Those events have been kept secret on pain of death, because the management would sack me immediately if they knew what I had been up to! Still, that didn't stop me from having the best poking ever, which is what I want to tell you about now...

Working in Yorkshire, quite often you end up doing the 'dale routes'. You have a two-hour drive and usually pick up one old fella and his dog during the whole time. Still, it gives me a chance to let my mind go into overdrive and fantasise about rampant sex sessions, the throbbing of the bus engine invariably making my pussy hotter than the sahara, only nowhere near as dry!

One day seemed to be quieter than usual and I had picked up literally nobody for the first hour of the route. Finally, I approached one of the stops in the middle of nowhere and saw a guy waiting. It was tipping down and the poor lad, who looked about 20, was soaked. Dressed in hiking boots, shorts and a pullover and holding a rucksack by his side, this bloke looked mighty bedraggled. However, when I pulled up and opened the doors, Gerry (as I later found out his name was) had my jaw dropping. He was gorgeous; tanned and muscular, with a grin the size of a Cheshire Cat. And believe me, any bloke with a package the size of the one he had in his shorts would be smiling!

It turned out Gerry was an Aussie, touring Europe on his own, and working his way through the North of England.

"Nice scenery," he grinned as I started moving off, but by the horny look in his eye and the way he was staring at my firm boobs, he wasn't talking about the dales at all!

Well, my pussy was tingling with anticipation as we started talking. All I could think of was the thrill of simply stopping the bus, putting 'out of service' up on the front, and getting a good servicing myself. Gerry was pretty forward and was soon complimenting me on my figure and patting my leg provocatively.

Mustering up all my courage, I casually put one hand to the ever-increasing bulge in his shorts and asked him if he was in a hurry to get anywhere.

"There's only one place I'd like to go," he grinned, so I pulled into the next lay-by and turned the engine off. I was so excited as I stood up, checked that the doors were shut and led this gorgeous man upstairs where no-one could see us.

Sprawled on the back seat, I slipped my jacket and trousers off. I thrust my right hand into my knickers, reached for my pussy and began to play with myself, my juices flowing over my hand. Gerry didn't need any more hints, almost ripping his shorts and jumper off to reveal a perfect body and a cock that made me gasp in anticipation. I grabbed his stiff meat and took it as far down my throat as possible, sucking and licking it like crazy.

The taste of his salty cock was fantastic and I worked up and down the shaft in a rhythm that matched my own wanking. It didn't take long before he shot his first load of spunk straight down my throat and the sensation of tasting come made me buck and climax heavily myself. Absolute heaven!

Almost immediately Gerry's dick was stiff again, so I slipped my knickers off and bent over the seat, offering my arse up in the air so I could be fucked doggy-style. Gerry grabbed me

around the waist and plunged deep into my pussy. God, it felt so good that I almost fainted with the thrill of it all! The feel of his massive tool gliding in and out of my aching hole was sheer bliss and Gerry held himself back so that I could get the full works. After a good few minutes of riding he let out a gasp and emptied his second load into my tingling fanny.

But I wasn't done yet. Not by a long chalk. I turned round, unbuttoned my blouse and unclipped my bra, revealing my tits, my nipples swollen and hard. I guided Gerry's dick between them, put my own hands around my breasts and started to work up a rhythm, bending down and licking at the tip of that great cock at the same time. For the third time Gerry jerked instinctively and came all over my face and breasts, letting me lick up the spunk from my body and face, which I always love to do.

So if you've ever thought that women bus drivers are a bit butch, now you know the truth! It was me that got a wonderful ride that day! – *Maria, Huddersfield*

Making Both Ends Meet

I've been trying to get up the courage to write to your mag for some time, but each time I started before, I lost my nerve. But I'm feeling so horny today, so here goes!

My name's Mandy, and although I was born and raised in the North, I now live in London. I am 21, blonde, and if the looks and whistles I get in the street are anything to go by, I've got a really good body. My legs are long and my tits are a firm size 38DD.

Recently an old girlfriend of mine from my home town, Candy, came to stay. Candy and I grew up together, going to the same school, and living in the same area. Well, as kids we were pretty crazy, but once she came to visit me in London, we just went totally wild!

The first night she arrived, Candy wanted to party, so we got dressed up and went out clubbing. It didn't take us long to find two gorgeous hunks who homed in on us like bees around a honeypot.

They bought us drinks and we started dancing the night away. When it was time to go home, they offered to give us a lift. Back at my flat, we invited them up for coffee, and that's when the fun really began!

The guy I was with was called Ricky. He was my height with dark hair and a great body. Candy's fella was called Alan. He was blond and also had a very nice body indeed.

While I was making coffee in the kitchen, Ricky came in to help me. And help me he did! I remember him placing his hands around my waist from behind, and me turning into him. Our lips met and that was it. We were tearing at each other's clothes until he had my tits out, and I had his dick in my hand. It was so thick and hard, and I knew that I just had to have it inside me.

He bunched up my tits and started to lick and kiss them. My pussy was getting so wet and, forgetting all about the coffee, I dropped to my knees and took his rigid dick in my mouth. It had been ages since I sucked on a cock, I guess I'm just rather particular!

Ricky's balls were really tight and although it wasn't the biggest dick I'd ever had, it was certainly the nicest – rock hard and ready for action. When I'd sucked it for a while I looked up into his eyes and said, "I think it's time we fucked."

Ricky smiled down at me and helped me to my feet. I wrapped a hand around his throbbing cock and led him into the living-room. What we saw there made us both stop in our tracks.

There was Candy, naked on the huge sofa, on all fours with Alan up behind her, fucking her like a locomotive. I felt Ricky's dick start to throb even more in the palm of my hand.

"Shall we join them?" I whispered to him.

"Of course," he grinned.

We crossed over to the sofa where I placed Ricky's cock to Candy's lips. She opened her eyes, shocked, and then a big smile spread across her face. She eagerly took the dick that I was offering her and started to suck on it. Lucky girl – taking two cocks at once!

But I was happy to wait my turn. I went around the back to where Alan was ramming his long, wet cock in and out of Candy's soaking pussy, and I started to play with his balls and Candy's clit.

Candy and I have always been open about sex, but had never done it together. Personally, I'd often thought about it, and here I was playing with her pussy as it got fucked!

when it gets up and hits you in the eye

Independent market research shows that the *Men Only* reader is not only more intelligent than the magazine's editor, he also has a much bigger wozname, and can keep his end up in an on-going two girl lickety-split with butt plug situation for several weeks at a time. This is why the most beautiful new models insist on showing their gorgeous tip-tilted thingummies, round bouncy whatsits and naughty pink girlie bits in *Men Only* first.

MENONLY

Not just on the top shelf: it's all over the shop!

Then Candy started to moan as her orgasm approached. The three of us, Alan who was fucking her cunt, Ricky who was fucking her mouth and me, playing with her clit, brought her to a fantastic climax, making her writhe and buck like a bronco. She finally screamed her pleasure and collapsed forwards onto the sofa, a big smile on her face.

The two guys looked at me and I knew what was going to happen next. I was hoping it would, anyway! Seconds later, both guys were over me, their hands everywhere, taking a nipple each into their mouths.

I was soon on my back on the big sofa, alongside Candy who was lying there in pure ecstacy. Ricky aimed his cock between my legs while Alan pushed his dick into my willing mouth. I had never experienced the sensation of two cocks in me, and I let them both enter me at the same time. I guess it had always been a secret fantasy of mine!

They were soon fucking me in time with each other, and I just lay there, blissed out. I could've happily stayed there forever!

Then Candy started playing with my tits, leaning across and sucking my nipples. I couldn't imagine any greater pleasure than having my cunt and mouth fucked by two stiff cocks, while a very sexy girl sucked my nipples and stroked my clit.

When I came, they had to hold me down. I started to buck and move around just like Candy had. There were so many sensations flowing around inside me that I thought I was going to explode. I had never imagined that my body could experience so much pleasure at one time.

But I wasn't the only one to come just then. I guess Ricky couldn't hang in there any longer – let's face it, few guys could after fucking Candy and me! – and he whipped out his dick from my cunt and shot his hot, creamy load all over my tits, which Candy had been forced to abandon when I started writhing. But her fingers were still working away at my clitoris, taking me to new heights, letting me fall a little and then taking me even higher as my next wave came around seconds later. It was the best orgasm I'd ever had.

Candy snuggled up to me. Her hard tits felt terrific against mine, and even though I'd just come, I felt really turned on.

I knelt on the floor, spread her legs and buried my face in her pussy. Taking his cue, Alan got behind me and thrust his hot, throbbing meat up inside my cunt. I tell you, a hot pussy in your face and a stiff cock up your cunt is something that I can highly recommend to any girl! – *Debbie, London*

HOLIDAY BLUES

Playing away from home

Seeing The Sights

My name is Joy and I'm a tour guide for a travel company based in southern Italy. Now you might imagine this is a pretty good job – travelling, working in the sun, meeting lots of new people – and you'd be right... except for that last part.

I don't know why, but since coming here two years ago I've hardly met anyone that can keep up with me sexually! I guess you could say I've got a high sex drive – I think about fucking some cock or pussy every day and every night – but as I've not been really satisfied for ages you can imagine what sort of state I'm in. Or was, because a couple of weeks ago I met someone who put a smile on a lot more than my face!

I had been showing a group of American tourists around the historical sights when I became aware of someone staring at me. Now with my sun-bleached blonde hair, smooth, tanned body and constantly erect nipples I'm used to the odd glance, but that afternoon I could feel someone in my group was really eyeing me up, and when we reached the local art gallery and everyone spread out to have a wander round, I found out who it was...

As I turned to get a quick drink from the water fountain I felt a pair of eyes boring into me. I paused and swung round to see a beautiful young blonde standing nervously on her own.

"Can I help you?" I asked, walking towards her, my nipples already tingling as I took in her long, smooth legs, rounded tits and full, red lips.

"Well, I don't really know anything about art, and I'm here on my own, and I don't speak Italian. So, er, d'you think you could show me around?" Cheryl introduced herself, and without another word I took her arm and we wandered from room to room as I talked her though the history of each painting and statue, until finally we ended up in a quiet, deserted room full of objects d'art.

"Well, that's it, Cheryl. I think you've seen everything," I said, turning to her.

"I haven't seen everything, Joy, and neither have you..." she smiled, unbuttoning her denim shirt and letting her full boobs tumble out. I looked her in the eye and immediately experienced that same feeling I'd felt earlier; it was Cheryl who had been staring at me all day. I had been set up!

Without even thinking of anyone seeing us I slipped off my jacket and unbuttoned my blouse too, stepping right up to Cheryl until our nipples touched. I held her face and kissed her, her arms wrapping around me and sliding down to my bum, grabbing a cheek in each hand and pulling me nearer.

"Open your legs," Cheryl whispered. "I've wanted to do this to you all day." Now I'm not used to being ordered about, but I was so surprised by this young girl's forwardness that I did as I was told and parted my legs as far as I could.

"That's better," she murmured as she sank to her knees. I knew what was coming next, and shutting my eyes I hitched my skirt. Even though the old stone room was cool and my blouse was open I was getting hot, panting as her tongue ran up the smooth skin of my bare thigh and over my glistening pussy curls.

She teased my throbbing little clit with a quick flick of her tongue as she licked back down my other leg. I clenched my legs together, throwing my head back as my first powerful orgasm overwhelmed me.

Looking up at me, her face half obscured by my bush, Cheryl pulled my pussy lips apart and sucked me dry, her tongue running around every inch of my sticky cunt. No sooner had I recovered than I heard voices approaching and pulling my lover to her feet, I smoothed my skirt down and we made a hasty exit.

Luckily the museum was the last place I had to take my group that day so, giggling like schoolgirls, we raced back to Cheryl's hotel room. I barely had time to shut the door before she was dragging me to the bed, kicking off her shoes and lying down.

"Your turn now, Joy!" she giggled and opened her legs for me. I stood at the foot of the bed and slowly undid my skirt, then my blouse, and finally let my hair down till it was nearly covering my erect

little nipples. I could see Cheryl's snatch was glistening already and licking my lips I crawled on my hands and knees till my face was over her pussy.

My hair dangled down, gently tickling her, and as slowly as I could I lowered my head till my hot breath was teasing her damp pussy even more.

"Come on, you bitch, fuck me!" she gasped, and I ran my tongue up and down her juicy slit, every now and then wriggling it right into her, before pulling out and kissing her bush again. Cheryl was thrashing around now, her hands gripping the sheets as she begged me to really fuck her. I knew she wasn't going to last much longer, and as soon as I swung my whole body up the bed and positioned myself over her face for a 69, she came.

She pushed her hips up so I could get even more of her pussy in my face just as I pushed down so she could do the same to me. Just the taste of her juice oozing out onto my tongue drove me wild and I came again, my legs squeezing together around her head as my whole body went absolutely rigid.

Eventually, we relaxed and pulled our sticky bodies away from each other.

"I don't remember reading anything about service like this in the brochure!" laughed Cheryl as she reached for the phone.

"Who are you calling?" I asked, sitting up.

"I thought we could celebrate. Fancy a bottle of bubbly?" Cheryl asked, grinning. She ordered a couple of bottles and snuggled up next to me on the bed.

Just as we were beginning to nibble each other's ears and start off again, there was a knock at the door and room service burst in. We barely had time to whisk the sheets over our naked bodies as the waiter wheeled in an ice bucket and the champagne.

"Madam, your champagne..." The poor lad froze. This was obviously not what he was expecting! I don't know who was more embarrassed, him or me, but it definitely wasn't Cheryl who calmly got up, naked, and walked over to him.

"Why don't you bring it over to the bed and open it? I'll get another glass..." With that she shut the door behind him and went into the kitchen. Tony, as his name badge said he was called, looked at me for help.

"Come on, it's all right," I said and held out my hand. Cheryl returned and we all sat on the bed as Tony regained his cool and opened the first bottle. It was time for a toast!

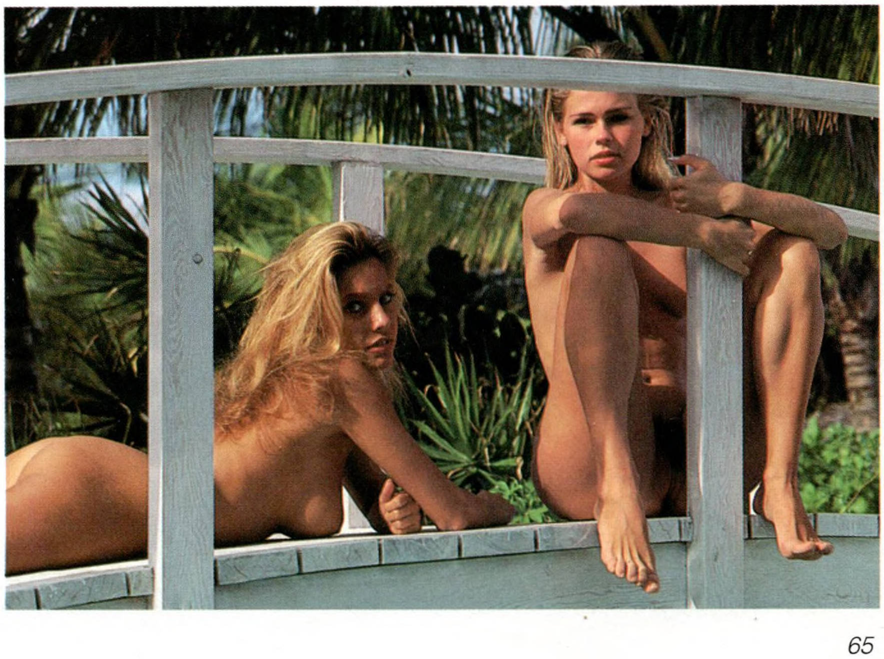
"Well, here's to us then!" I grinned. We must've knocked back that first bottle in five minutes flat, and we were halfway through the second when I couldn't help myself any longer and my hands began to roam towards Tony's flies.

"Now this is hardly fair, is it, Tony? Here's us two girlies, naked, in bed, and there's you all dressed up!" This must be a dream come true for most men, but I guess when actually confronted with the situation the nerve goes, because Tony stood up and said he really ought to get back to work. It's funny though, because as soon as I leant forward, unzipped his tight black trousers and slid his hardening cock into my mouth he changed his mind!

Tony gasped out loud as I began to move my head quicker and quicker on his shaft. He ran his fingers through my hair as he climbed up onto the bed, never once pulling his cock out of my mouth. He leant back against the headboard and started pushing in and out of me like he was fucking a cunt, not a mouth.

My tongue and lips were leaving traces of saliva all up his rigid pole as we really got into our rhythm, and no sooner had I felt Tony grip my head to pull me further onto him than a pair of hands gently parted my legs and a hot tongue ran over both my bum cheeks and down to my soaking wet pussy.

When I felt Cheryl's tongue dart into me I let out a little gasp and pushed back. She turned round so she was lying underneath me, sucking my clit and licking out my cunt, her hands running all up and



down my tingling body.

I couldn't remember having so much sex in one day before, but I didn't have time to think of much else as Tony finally groaned and started spurting his hot, thick spunk down my throat. It tasted so good I didn't swallow it all straight away, but let it build up in my mouth so I could roll it around my tongue, savouring every single drop. Then when I couldn't hold any more I began to gulp it down, but Tony's cock was squirting so much come I could barely keep up and felt a dribble roll out of the corner of my mouth.

Then I came, not as strongly as before, but enough to set Cheryl off too and for one fantastic minute the three of us were all coming together.

Slowly, our pumping bodies slowed down, and as I zipped Tony up and gave him a pat on the bottom to send him on his way, Cheryl ran a shower for us both.

I couldn't believe that yesterday I was sitting in my apartment on my own, wondering where my next shag was coming from and here I was after the fucking of my life getting soaped up by a sexy blonde! And the day still wasn't over...

We dried each other off and got dressed for a night out on the town. Cheryl lent me the tightest, shortest mini-dress I had ever worn and after a couple of drinks in the hotel bar we went off in search of more cock – and it didn't take long to find it.

We went to the best night-club in the town and were so horny by then we didn't bother with chatting and dancing. As soon as we spotted a couple of hunks giving us the eye, we grabbed them by the hand and ran off down to the beach with them.

It was a lovely warm night and the beach was deserted, which was just as well as no sooner had we got there than Cheryl cried out, "This'll do!" and sat herself down on the white sand. Paul, her fella, started stripping off like his life depended on it and Gio, my man, grinned at me and started doing the same.

Within seconds we were all naked and after a good licking out from Gio, he lay back on the sand. I crouched over his lovely thick tool and slid it up my dripping fanny. It felt delicious. His tanned, muscular body turned me on so much it was all I could do not to come straight away, and it only took a couple of minutes of fucking until I let go and screamed out my umpteenth orgasm of the day.

Gio was really good and held back, but as soon as Cheryl finished her fuck she came over and sat down on his face. Poor old Paul was feeling a bit left out, so beckoning him over I sucked him off till I got my second load of spunk down my throat that day. Cheryl was still bucking up and down when I felt Gio's hips push up hard for the last time and he came all up my hot, throbbing, sticky pussy.

For one glorious moment I was getting two loads of come at the same time, and coming myself! Cheryl joined in too until the four of us were creaming our load over each other. To finish a perfect day, we all went for a quick midnight dip to cool off before calling it a night and heading back to bed.

Cheryl could only stay around for another week, but she has already booked her Christmas holiday back in Italy with me. I know that's a long way off, but after all that fucking, I think I need the break! *– Joy, Italy*

COUPLES CONFESS

Share and share alike!

Moving In

Is my husband the only Club reader out there who likes his women and his sex to be really aggressive and dirty? I can't believe that he is, but I must say that some of the sexual adventures you print in Couples Confess seem somewhat tame compared to what Phil and I get up to.

First of all, we just used to play with each other as we read all those horny Club confessions, but once I'd got up the courage to say to Phil, "Yes, I really want to watch you having sex with another girl – and I'd love it even more if I could join in too", the ball was set rolling.

It all started quite accidentally, when our new next door neighbours gave a house-warming party. Personally, I thought both Patsy and Don looked a little bit uptight and prudish, but as the party (about 50-strong) began to warm up, Phil started going on about how shapely Patsy's legs and bum were, how he'd like to see her naked and slip his fingers between her legs to play with her moist fanny.

"I bet once she gets going, she gives a great blow-job," he said, as she brushed past him and her nipples grazed against his chest. "Those lips around my cock – I'd love to feel that..."

"And I'd love to see it too, darling, especially Patsy swallowing all that delicious spunk of yours," I replied, forming the idea in my mind that we might be in for an invigorating evening. I'd already spied the bulge at the front of Don's trousers as he eyed my voluptuous figure in my mini-skirt and bra top. Although my boobs are really large, they're also very firm and so every male in the place was getting a real eyeful as I paraded around the room.

But I could tell that Phil had his mind set on making up a foursome with Patsy and her husband – what a welcome to the neighbourhood that would give them! I decided to make it happen, and in the end it wasn't that difficult.

Making sure that Don noticed, I slipped away upstairs, ostensibly to go to the loo, but really I made my way to the spare bedroom. I left the door ajar, knowing that both Phil and Don would soon follow behind me. Then, pulling up my skirt and yanking the crotch of my now soaking knickers aside, I splayed my fingers over my wet, throbbing fanny and started to masturbate myself, slowly and deliciously.

My skilled fingers worked hard, probing my sticky fanny lips apart and digging deep inside, my long thumb nail stroking and flicking my hard clit. My head went back, my eyes closed and I was deeply relaxing into my first orgasm, my pussy muscles gripping my fingers inside me as I came, when I became aware that I wasn't alone in the room.

Opening my eyes, I followed the sound of the heavy breathing – but it wasn't Don watching me avidly, as I'd expected, but Patsy standing there, looking as horny as hell and obviously having been watching me for ages!

"I thought you were a horny bitch the first day I saw you," she told me, grabbing me and kissing me on the lips, her hands pushing inside my top to fondle my boobs. "And don't try telling me that I'm going to be the first woman you've had, because I won't believe it!"

We fell back on the bed into a hot 69 right away. I'd never had a girl come on to me this strongly before – it was usually me that made the first move, but Patsy was really taking control, and I was loving it!

Above my face, I had a really close view of her pussy hole, her love lips gaping open and all coated with juices, her shaven fanny revealing more than I'd ever seen before. I ran my tongue over her smooth mound, as she held open her lips with the fingers of one hand. Her other hand moved over to my pussy and cupped it, thrusting two fingers right inside me.

Well, having already had one orgasm I was so wet and juicy that her probing fingers slipped right up inside me. I'm afraid that I was rather selfish for the next few minutes, lying back and letting myself build up towards a really thorough climax, shivering with pleasure as Patsy's skilled fingers were joined by her tongue digging deep into me.

Mind you, I soon joined in when I moved my nose slightly further forward and caught a sniff of the delicious aroma of Patsy's pussy juice – that's a scent I can't resist! The next minute we were eagerly lapping at each other's pussies, slurping and probing and giggling, not even caring that the door wasn't shut.

I was just about to climax, and trying to work it so that Patsy came at the same time as me, when Don strode in, a great big grin on his face and a very obvious hard-on under his flies.

"I wondered where you'd got to, darling," he laughed as Patsy looked up at him and grinned, idly licking along the length of my love slit to gather up a couple of droplets of pussy juice that had escaped. The sight of his wife doing that was too much for Don. Before I could even move, he'd whipped off all his clothes and joined us on the bed for a threesome romp!

"I can see why your husband's always got a smile on his face, Jan," Don grinned at me as he started to suck hard on one of my

boobs, really nibbling and biting just the way I like it. "With a pair of boobs like these waiting at home for him, he must be the most satisfied man in Wales!"

"I know what makes you the most satisfied man in Wales," Patsy smiled wickedly at her husband. "Come on, Jan – let's get things a little more kinky."

She flung all her clothes onto the floor, except for her sheer black stockings, which she peeled off slowly and sensually. Don lay back on the bed, his arms behind his head and his cock pointing right up to the ceiling, it was so stiff and eager for action.

Then I gasped as I watched Patsy start to tie her husband to the bedpost, using her discarded stockings! I don't think she tied him very tight, and it was all just in fun, but what a turn-on! There he was, bound to his own spare bed, his legs splayed, his heavy balls taut and his body trembling with arousal.

"Now you just lie there while Jan and I deal with you," Patsy said sternly – and I thought I was going to come on the spot. We were about to ravage Don's body – and there was absolutely nothing he could do about it.

"Sit on his face, Patsy," I begged her, "I hope you don't mind, but I've got to feel Don's cock in my fanny."

She didn't argue, and next minute we were facing each other astride her husband, Patsy wiggling as his tongue dived inside her already soaking fanny, me sinking down onto Don's thick cock shaft. It was great being able to dictate the pace at which he was fucking me. I love to take the lead, and it was all the more arousing that Don was having to dance to my tune this time. Patsy reached out her arms to me, and we started kissing as both of us had our pussies serviced by her husband.

I somehow knew that Phil had come into the room even before I felt his hands fasten around my boobs from behind, tweaking and kneading them with Patsy's hands joining his. He rubbed his stiff cock up and down my back as well, and I could tell that he was tremendously turned on doing that while another guy was thrusting up into my cunt with his cock at the same time. As Phil's engorged helmet rubbed up and down my spine, I started to orgasm, shuddering and moaning as my juice rippled through my pussy and started to dribble out and coat Don's balls and pubes.

Don was really writhing about beneath Patsy and I, his wrists twisting as the stockings stretched around them. I humped him even harder, gripping tight around his shaft, his tongue working rigidly inside his wife's pussy, and then the three of us started to have our big climaxes together. Patsy was really milking hers for all she was worth, panting and moaning and shouting.

I've never seen another girl get quite so satisfied as that, her boobs really jiggling around as Don's expert tongue drove her over the edge. The whole room smelled heavy with all our come juices, which kept us all aroused even after we'd had our orgasms.

Well, everyone except Phil had enjoyed one, and Patsy decided that wasn't fair. "Why not let Don and I have a good look at what goes on behind those net curtains of yours every night?" she suggested.

Before I had even thought about it, I was kneeling on all fours between Don's spread legs, my bum high in the air so that Phil had a lovely view of my hairy slit. He prised it apart with his fingers and pushed his cock straight up inside me, no ceremony, Patsy watching avidly and stroking her nipples to keep her honey pot on the boil. Underneath me, Don was licking and sucking on my tit, cupping the generous mounds and running the rough edge of his tongue over and over the areolae until I was on the verge of coming yet again.

Just as I thought my husband was going to unload his balls inside me, however, he whipped his rigid shaft out right at the last minute and sprayed his spunk all over my firm, tight little bum! What a feeling, and it was heightened when Patsy started rubbing it into my skin softly, tasting droplets of it as she did so. Of course, that made Don come again, all over my boobs, though there wasn't much come as that had already been shot into my cunt.

I had to have a bit of a lie down after that, as I was out of breath and covered with come. It was a great way to welcome Don and Patsy to the neighbourhood! One day I'll get around to thanking the estate agent who sold Don and Patsy their house: it's turned me from a merely highly-sexed woman into a totally insatiable one! *– Jan, Caerphilly* ♣

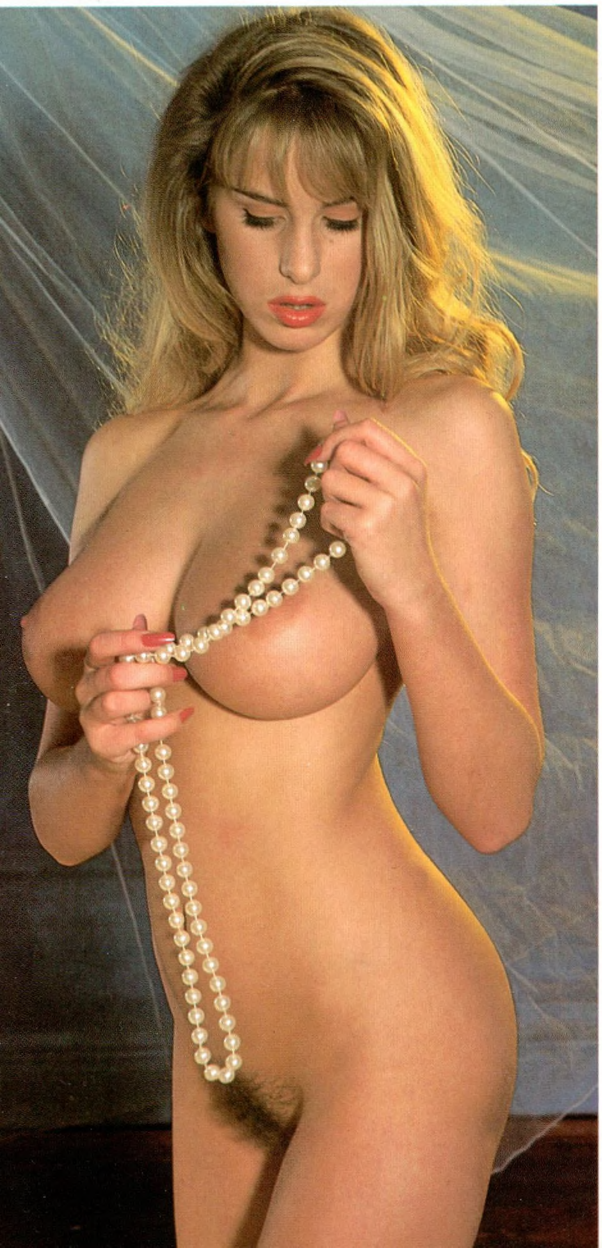
DIONNE

Dirty Dionne's fabulous funbags are quite a handful – well, two handfuls – but they're not the only things that make her more than a match for any man.

"I guess you could say I can be a bit naughty," smiles the curvy cutie. "And I admit I have been known to do outrageous things – like flashing my boobs at the oncoming



traffic, or forgetting to put my knickers on when I go shopping. I reckon I just need a firm fella to take me in hand..."

Both hands actually, Dionne. ♣

STORIES OF SEX

Six explicit stories of sex featuring:—

- the Gardener with his horny hands and horny bulge
- the Convict who screws the nympho blonde into ecstasy
- the Mystery Man who shafts the girl in an empty house
- the Musician who lets the girls play with his instrument
- the Best Friend's Husband screws her while his wife's out
- the Ex-lovers meet again for one last magnificent sex orgy

NAUGHTY NEIGHBOURS

A chink in the curtain reveals the wife-swapping antics in a surburban town. John screws Peter's wife Sally, while Peter gets his end away orally, so to speak, with John's wife. Meanwhile, Carol and Claire are into a lesbian screwing session and Allan's wife, Jackie is showing the workmen the crack that she wants filled.

BUSTY SPECIAL NO. 1

When little Alice spills a drink down the dress of Margaret, the big busted blonde, she strips off and lets Alice dry her body, including those big, bulging tits. Then Alice gives her a baby oil massage, finding her way into every nook and cranny, until Margaret is completely satisfied.

ANGEL'S BACK

Back to what she does best —sex—with anybody. Lots of lesbian and group action A superb gym session, where she lifts all the tackle going and makes the most of the bulging equipment. Then her insatiable lust takes her into a Harem orgy with Arabs built like stallions.

fiona

Photographs by Suze Randall

This may be fruity Fiona's first appearance in Club, but the 20-year-old drama student has had more than her fair share of admirers in the past!

"Well, yes, I've done a few plays at college, but they always seem to cast me in the bedroom scenes!"

No... how awful! But seriously, don't you ever want to get your teeth into bigger parts?

"Do you mean leading roles?" blushes the blonde smasher. "No, not really. It's not that I couldn't handle a larger one now and then, it's just that the only leading I'd ever do would be astray..." ♣

Anna

"A beautiful, comfy bed and a beautiful, comfy man. That's all I need to make me happy," smiles 21-year-old Anna, who appears here for the first time in her all curvy glory.

"I've always been a bit of a raunchy girl, and loads of my friends said I'd make a great model. I'm glad I finally took

their advice. I reckon I've got a pretty nice body and I do take care of it by working out at least three times a week." Now there are more than a few people in the Club offices who wouldn't mind working out on Anna's delicious body! "Ooh, you lot. You're so saucy," she giggles. And we melt! ♣

What a work of art. Smooth lines, curves in all the right places, just the sort of thing you'd want in your home – and that Kathryn's not bad either! Seriously though, could you honestly think of anyone better to model 20 feet of black feathers? Of course not. Except perhaps the chicken. Anyway, if you want to see just what happened when she let her stockings and more fall to the floor, tune in next month and find out! Now what do you think we should do with this naked bird...♣

continued from page 39

concerned – he's pretty strait-laced, but that didn't stop me from arranging a surprise for him, in the shape of two cock-hungry girls that I'd met in Tenerife at Easter.

Trish and her mate, Sarah, were two of the filthiest girls I'd met. Nothing shocks them, but even I was surprised at their antics!

At around 11 o'clock the music started and you should have seen the lad's faces when the girls trooped into the function room dressed in rubber macs... and nothing else! Most of the guys were pretty pissed by this stage, and they all cheered wildly as the Trish and Sarah began gyrating sexily to the music.

I was getting horny as hell and couldn't believe my eyes when the girls started kissing each other, then peeled off their knickers and tossed them to the fellas. All the guys must have thought that Christmas had come early – but they hadn't seen anything yet!

Sarah, a blonde beauty with the most beautiful pussy I've seen marched over to Bruce and pulled him to the middle of the floor and undid his trousers. "It's your lucky night," she purred. Without a care in the world, she pulled out his erect cock and started gobbling on his dick while Sarah undressed him.

I don't know whether it was the fact that I was a bit tipsy or just randy as hell, but I couldn't stop myself from walking onto the floor myself and peeling off my trousers. Within seconds, Trish had grabbed me and was stroking my shaft. I reached down and played with her enormous boobs, pulling on her nipples until they were as hard as acorns. By this time I didn't care who was watching. I needed a fuck and I was going to get one.

I moved towards Sarah who was sucking on Bruce's cock, parted her legs from behind and plunged my tool deep inside her and started fucking her. Pretty soon I could feel myself coming, and with a shudder, I shot my load deep inside her fanny. A cheer filled the room as I pulled my dick out, then I was treated to one of the horniest sights I've ever seen. Trish moved over to Sarah, got down on all fours and began lapping at her pussy. "Mmm, what a sweet tasting pussy you have, Sarah," she purred, sticking a finger inside her cunt and bringing her to a climax.

Almost on cue, the music suddenly stopped and the lads let out a loud cheer as the girls bowed and made their exit. The party continued after that for a while – or so I'm told. Bruce and I ended up back at Trish's place as I renewed our holiday friendship, and Bruce had a final, frantic fuck with Sarah before his big day! – *Jason, Newport*

Vroom, vroom!

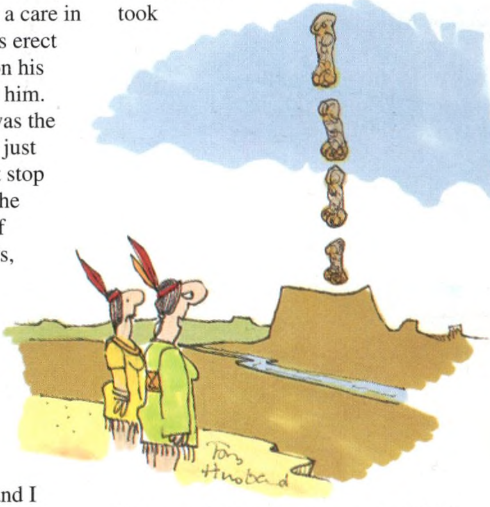
I'd like to tell your readers about the horny time I had last week when I went out with a friend of mine.

I often meet Linda after work for a coffee, and it's always a pleasure. She's gorgeous with flowing hair, slim hips, large boobs and a lovely face. We've always been close – but we've never fucked each other. We didn't that night either, but it was still incredibly horny.

We spent the evening chatting and come 11 o'clock, I asked Linda if she wanted a lift home. "I expect more than that," she giggled, and her hand slid down to my trousers and rubbed my cock. We hurried to my car and when we got inside, Linda turned to me and started kissing me.

Linda's hands worked their way to my zip and she pulled it down and released my dick. "Mmm, just as I expected," she purred, and then her lips moved to meet my cock and her mouth engulfed me. I looked down to see her head bobbing up and down, while I tried in vain to keep a straight face as people walked past in the car!

Linda then took my dick in her hand, and insisted I drive the car – with my hand on the gearstick and hers on my cock – I couldn't believe it! As we drove, she wanked me furiously; so much so that I almost knocked the car into gear a couple of times at the lights!



"Damned obscene smoke signals!"

As I neared orgasm, I was sure I'd crash the car, so I pulled into the side of the road just as I shot my load all over the dashboard!

I sat there for a few minutes getting my breath back, before I dropped Linda off at her flat and made my way home. Linda says that she wants me to pick her up at the weekend so that we can go for a drive – I'll certainly be taking the scenic route! – *John, Birmingham* ♣
